

Putāruru Junior Touch Season - Term 4

Start Date: Friday 28th October – Friday 9th December

Friday Junior Touch will run for 6 Weeks of Term 4

Juniors will run from approximately 4 – 6pm each afternoon.
A draw will be published in our school newsletter, on the School Facebook page,
and on the Skool Loop app each week.

A big **THANK YOU** to team managers who have kindly offered their time and knowledge to help our tamariki play sport. *We appreciate your commitment and support towards our school.*

Parent helpers will need to pick up the team bag from the school office, give out and collect in uniforms each week, organise the players and make sure that all members of the team are respectful and get a fair go on the field.

The **cost** for Junior Touch is **\$12**. This goes to the school for the use of the uniforms and a part of the fee allows us to replace uniforms as they wear out.

Fees need to be paid before Thursday 28th October or parents can contact the office to begin an automatic payment. Payment of fees need to be sorted before children are allowed to play.

Lunchtime skills and drills will start with Whaea Stacy in this term. Managers are more than welcome to sort a lunch time training or an after-school training if you wish to.

Any questions or concerns during the season, please chat to Whaea Stacy or contact the school office.
